Hi Bert.

Following receipt of your letter the Attorney General's Office conducted a review of the documents provided by Climax in October 2014, focusing on Climax's 2013 CDPS Permit and associated Fact Sheet. Upon review, the AG's Office has concluded that there is nothing in the 2013 CDPS Permit or associated Fact Sheet that contradicts the Corps/EPA's recent "jurisdictional" determination for McNulty Gulch.
